

BACKSTITCHING AND FINISHING

TROPICAL CHARMINGS BORDER:

Here's another option for finishing the set of 4 Tropical Charmings - why not stitch them as part of the border provided, by inserting them as indicated on the graph below, using the color keys provided with each Charming and the additional symbol below.

DO NOT stitch grey dash lines - those are for placement of each design only.

ADDITIONAL SYMBOL:

SYMBOL	DMC	ANCHOR	COLOR
6	743	302 (3X)	yellow - med
○	3836	090 (3X)	grape - lt

The **CHARMS** go in the corner 'box' by each design (as indicated).
